

Statement of Compliance

JOHN S. MCCAIN NATIONAL DEFENSE AUTHORIZATION ACT

The National Defense Authorization Act governs how federal agencies purchase communications and video surveillance technologies. Verkada is pleased to offer a range of NDAA compliant products, including:

Verkada's CD and CM Series cameras are manufactured in Taiwan and are Trade Agreements Act (TAA) compliant (19 U.S.C. 2501-2581). That act has the goal of fostering fair and open international trade and requires that the U.S. Government may acquire only "U.S. – made or designated country end products."
